

August 1, 2017

Dear Parent,

The beginning of the school year is approaching, and we want to extend a warm welcome to let you know that Chartwells School Dining Services has exciting plans for your school meal program. School meals remain nutritious, a great value and more satisfying than ever for both students and parents. This year, Chartwells has exciting events and new menu items planned for your child's school cafeteria. Our job is to make sure that we serve healthy, well-balanced meals that students will enjoy eating. We also strive to make the dining experience a special one, so we've planned activities that will appeal to all of our students. Below are some of the highlights to help begin the new school year.

Menu Highlights:

This year we will be offering some of student's favorite foods along with some brand new menu choices at our elementary schools. Favorites such as Chicken Nuggets, French toast sticks, Meatballs and pasta, Triple Grilled Cheese & Tomato Soup and Pizza will be returning to the menu this Fall. At our Middle School the Baja Flats entrees return with Grilled Chicken Caesar Salads, Brunch for Lunch, Burger Bar, Chicken Fajitas and Slider Bars. We will also be introducing new food items to the menu that are both nutritious and delicious, including Low Fat Yogurt Parfaits, Wild Greens Entrée Salads, Oven Roasted Veggies and Whole Grain Pasta Entrees. The High School will be opening with a new pizza station to include a self-serve pasta bar and a total new look throughout the entire Serving area. New entrée selections will be available at each station.

Simply Good:

Throughout the year, students will have the opportunity to learn about healthier food options through fun and engaging activities that we have planned in the school cafeteria through our *Simply Good* program. *Simply Good* has a culinary emphasis that focuses on healthier meal options, especially ones with fruits, vegetables, whole grains and lean proteins. We will feature a variety of themes and fun events that will include "What's Cooking?", Rise & Shine Breakfast, Food Focus on Tree Fruits, Dairy and Red & Orange Vegetables in the Fall, and other exciting events. Look for more information on these special events coming soon.
