

Sibshop

For siblings ages 6-12
of children with
special needs

Sibshops are lively celebrations of the many contributions made by brothers and sisters of kids with special needs! Through games, activities, and discussions, siblings receive support from their peers who may be experiencing many of the same feelings, challenges, and joys of having a sibling with a special need.

March 9, 3:00 PM–5:00 PM At

our Broomall office

This session is FREE!!!

*Facilitated by Maleita Olson, LCSW
and Julianne Fretz from the Center for Autism Research,
certified Sibshop Trainers.*
